

ANTIBAC FOAM SOAP 516

A specially formulated foaming liquid skin cleanser and sanitiser without fragrance. It will remove daily dirt, grease, oil and grime from the skin. Suitable for use in food preparation areas, canteens, hotels, hospitals, etc. This is a quality product, which only uses the mildest ingredients coupled with skin re-fatting agents. Contains an effective biocide blend to help provide residual sanitising after use. Safe ingredients make it suitable for use as a waterless hand cleaner and merely wiped off with a tissue or towel.

- Effective and suitable for both offices and factories
- Can be used daily because of its mildness
- Non Flammable
- Suitable for food areas as it has no added perfume
- Contains emollient to leave the skin soft and supple
- Applied via dispensers to reduce the risk of cross infection
- Triclosan and paraben free

Application

Use via foaming system directly onto hands. Work well into the skin, cuticles and between the fingers, then rinse with clean water and dry.

Available in individual foamers, <1, 1 and 5 litre plastic containers
